DYNAMIC®
Cornerstone of Quality

FLEXOVIT®

Dedicated Partnership

Since our inception in 1966, **Dynamic Sales** has grown to serve contractor and industrial operations coast to coast, providing outstanding

- **SERVICE**
- **QUALITY** products,
- **COMMITMENT** to excellence, and
- **INTEGRITY** in our interactions.

Our goal is to provide such an exceptional experience of value and solutions that our customers have no desire to seek other options. We are a Christian based operation that is fully vested in providing such an experience based on faith and the Scriptures that guide us and provide the core principles of our company.

In keeping with this successful philosophy, we are proud of our unique and innovative partnership with Flexovit Abrasives to bring to you demonstrably superior abrasive product solutions to meet the demanding requirements of your industries. Flexovit is dedicated to ensuring that we have the resources necessary to deliver on our guiding principles of Service, Quality, Commitment, and Integrity.

Flexovit's Mission: "To be the most valued supplier of industrial abrasive products to customers that require the highest levels of product quality, service and expertise."

This mission will be accomplished by committing our collective efforts to fostering a profitable, professional and caring enterprise that is dedicated to;

- Demonstrably superior product value.
- Responsive and reliable customer service.
- Expert and informative technical support.
- Industry leading quality systems.
- Internationally competitive state-of-the-art manufacturing in Western New York.
- Meaningful alliances with our customers, suppliers and associates.
- Employee programs that enhance the balance of work life and personal life.
- Support of the communities in which we conduct our business.
- Efficiency in all aspects of our business.
- Environmental responsibility throughout our operations.
